Dear Child Care Provider,

This letter is in regards to the 11/25/14 compliance check of your Level B, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

- ☐ 110.5(1) Conditions in the home are safe, sanitary, and free of hazards.
Need to clear path in first bedroom where child is sleeping. Discontinue use until complete.
- ☐ 110.5(1)j Emergency and disaster plans for fire and tornado are written and posted by primary and secondary exits.
More near second exit.
- ☐ 110.5(1)o Nonsmoking signs posted at every entrance of the home and in every vehicle used to transport children. Signs include telephone # for reporting complaints, and www.iowasmokefreeair.gov.
Need at second exit.
- ☐ 110.5(4) The certificate of registration is displayed in a conspicuous place.
More to conspicuous location near where parents enter.

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration.

Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations within the next 45 days.

☒ Based on the items out of compliance listed above, you will be required to have a recheck or follow up visit to your home. This visit will occur after the 45 day time period has elapsed.

Please do not hesitate to contact me at DHS at 641-421-1219 if you have any questions regarding this letter.

Sincerely,

Amanda Nash
Social Worker II
